

No. 47

Requiring permits from the Department of Highways of the Commonwealth of Pennsylvania for excavations upon state highways: license fees to be paid to the department of Highways of Pennsylvania: surface of highways to be repaired by said Department Etc.

WHEREAS, The authorities of the Borough of Millville Pa. have been requested by the department of Highways of the Commonwealth of Pennsylvania, to enact an ordinance requiring permits for excavations upon the State Highways, in return for which it has been agreed that the said department of Highways shall repair the damage done to the surface of such excavations,

NOW THEREFORE BE IT ORDAINED and enacted by the Borough of Millville in town council assembled, and it is hereby ordained and enacted by the authority of the same.

Section 1. That before disturbing or removing the improved surface of any street which is a State Highway Route for the purpose of placing, repairing or altering any gas pipe, water pipe, electric conduit or other pipe of any other obstruction upon or in any portion of the State Highways, permission shall first be obtained from the Department of Highways of Pennsylvania.

Section 2. All license fees for the issuance of such permits shall be paid to the Department of Highways of Pennsylvania in accordance with the standard schedule of fees for such permits.

Section 3. That said improved pavement surface shall be repaired and replaced by and at the expense of the said Department of Highways of Pennsylvania.

Section 4. All ordinances or parts thereof inconsistent with this ordinance shall be and the same are hereby repealed
